The entry fee is \$1200.00 per boat. This entry fee covers the entry into all four listed tournaments. You don't have to fish them all, but regardless if you fish or not, your entry fee will be included in all four tournament paybacks. Each tournament will have at a minimum of \$55,000.00 paid back daily. With a 250 boat maximum allowed entries. A \$300.00 deposit will hold you a spot in the tournament if received by September 10 of 2017 with the remaining \$900.00 balance starting to be collected September 15 of 2017 through January 10, 2018. If we have the maximum 250 deposits by September 10 of 2017, we will go forward with collecting the remaining balance and start to create a calling list of those who do not make the deadline. The deposit is refundable if the trail is canceled or on a case by case basis. Any request for refund must be made prior to September 10 of each year.

Please check out the remaining rules at www.ogstournamenttrails.com. You can use Pay Pal to pay your deposit if you so wish. There is a \$9.00 convenience fee for doing so due to the credit card company charging Pay Pal for the use of a credit card. If you have a bank account assigned to your Pay Pal account please get with us and we will collect your payment separately without a charge.

We look forward to serving you in the future.
